

# Clinical Supervisor

## CLINICAL SUPERVISOR, COUNSELLING AND PERSONAL DEVELOPMENT (1.0 FTE – DAYTIME)

Overseeing the day to day operations of the Counselling and Personal Development department you will supervise and promote the clinical capacity of employees and promote practice aligned with the principles of the YW Calgary Practice Framework.

## WHAT MOVES YOU

- Developing others and supporting a team to do their best work everyday
- Working with women and their families who have experienced domestic violence
- Leading a program that addresses domestic violence in our community
- Providing clinical supervision for group facilitation and identifying and finding solutions of ethical, clinical and systemic issues
- Occasionally, providing direct clinical work with clients, including crisis intervention and safety planning

## WHAT YOU'LL DO

- Provide clinical supervision of group facilitation staff
- Review and prioritize referrals and manage the program intake process and wait lists
- Maintain appropriate clinical records
- Adhere to and support staff to follow the YW Organization code of conduct, program policies & procedures, codes of ethics etc.

## WHAT YOU'VE DONE

- Graduate degree in Psychology, Counselling or Social Work with specialization in clinical practice
- Registration with appropriate professional body required.
- Five years + counselling experience and 3+ years of clinical supervisory experience
- Experience with individual, group and family intervention

**If you want to work to change lives, we want to meet you.**
