

Docent Volunteer YW's Canada 150+ SHE WHO DARES Art Installation

POSITION, DEPARTMENT

Earlier this year, YW Calgary received a grant from the Government of Canada in recognition of Canada's 150th birthday and with it we have produced an artistic installation that will be revealed on October 26, 2017. This installation will recognize 150 women who have had a significant impact on the city of Calgary over the last 150+ years. This installation is expected to be viewed by over 10,000 people and we are looking for volunteers that will help guide individuals through the project explaining who the women are and why they were chosen.

The project will be displayed in four different downtown venues between October 26 and December 10 including the City of Calgary Municipal Building, Glenbow Museum and TELUS Convention Centre, The Calgary Public Library: Central Library & Fort Calgary National Historic Site.
