

# YW HUB FACILITY UPDATES

**DATE: June 14, 2018**

---

Construction continues to moving quickly at the YW Hub facility in Inglewood! Below are our most recent updates explaining what we have been doing and what you can expect to see in the near future.

---

## Construction work completed

- Drywall of the exterior is ongoing and the closure process continues with the curtain wall and windows being installed
- The front entry is taking shape with the cantilever structure in place at the front door on 17th Avenue SE
- Interior framing is nearly complete on all floors of the south tower and has been started on the north tower
- The interior design of the childcare and Parent Link area was undertaken and completed

## Construction work to come

Please note, there will be concrete pouring taking place on Friday, June 15 and Monday, June 18. While we don't expect the work to go beyond noise bylaw hours, our contractor has applied for an exemption for these two days in the event work extends beyond 10:00 p.m. **[Click here to see the exemption permit.](#)**
