Volunteers will support the facilitator to deliver Information Technology workshops to ESL learners with a focus on the acquisition of key components of Digital Citizenship.

WHAT MOVES YOU

- You support the premise that permanent residents and refugee learners will benefit greatly within Canadian culture by acquiring skills related to digital citizenship. You are passionate about working with newcomers; you understand the power of true empathy and demonstrate cross cultural awareness.

WHAT YOU'LL DO

- Assist the program facilitator with program instruction that utilizes various teaching methods in the delivery of the digital citizenship curriculum
- Support and encourage students to develop their IT skills and explore further learning opportunities
- Support and guide students to develop their own study skills using information technology
- You can commit to volunteering from September 4 to December 11, 2018
- You are available Tuesdays from 1pm to 3pm

WHAT YOU'VE DONE

- You possess experience working with newcomers and/or ESL learners
- You possess computer literacy and are comfortable working with a variety of computer software programs
- You possess exceptional interpersonal skills
- You understand the value of working within a collaborative and inclusive environment
- You have strong verbal and written communication skills
