

# Clinical Counsellor

## CLINICAL COUNSELLOR (1.0 FTE), COUNSELLING & PERSONAL DEVELOPMENT TEAM

You would provide clinical counselling services to individuals and families accessing the Counselling & Personal Development department. Working within our Practice Framework which includes trauma sensitive care, feminism and accessibility. Your counselling would empower those impacted by domestic abuse and trauma.

### WHAT MOVES YOU

- Supporting individuals in crisis through one on one counselling
- Mixing it up with facilitating group counselling once per week (one evening)
- Empowering others and creating resilience with those you work with
- Being part of important community work and an awesome team and program known for leading edge counselling work in the field of family violence

### WHAT YOU'LL DO

- Provide counselling to individuals and families impacted by domestic abuse and trauma
- Develop & evaluate treatment plans and therapeutic progress
- Support with community resource referrals and systems navigation
- Maintain clinical records, reporting requirements
- Continue to develop your counselling skills to develop exceptional services and client outcomes

### WHAT YOU'VE DONE

- **Master's degree in Clinical Psychology,** Counselling or Social Work or related field
- Registration with professional body required
- **3+ years counselling** experience working with individuals and families
- Developed deep understanding of the impacts of abuse, violence and trauma & its intersection with mental health and traumatic stress
- Training & experience in treatment options such as CBT, DBT, mind/body therapies, Solution-Focused Brief Therapy, narrative therapy ...

If you want to work to change lives, we want to meet you.

Competition Number: **2019027**

Deadline: **April 15th, 2019**
