

## Transformation Campaign Ambassador - Volunteer

### POSITION, DEPARTMENT

This is an exciting time for YW Calgary and we want the opportunity to share with Calgarians. What better way to engage them than where they are, at their workplaces. This is an opportunity for Calgarians to learn about the vital work of YW Calgary, supporting vulnerable women. The YW Hub display is a representation of the new home of YW Calgary being built in Inglewood. The new facility is designed to support vulnerable women with crisis and transitional shelter, as well as programs and services to support her journey to thriving. The new facility is set to open in the 2019. The Hub Model will be displayed in two different locations in Downtown Calgary. Parking will be provided for the Volunteer at any of the locations we are on display but we would like to encourage the use of the C-Train as these locations are very close to the C-train stops.
