### Family Violence Prevention Month

November marks Family Violence Prevention Month across the province. Together with our partners at YWCAs in Banff, Edmonton, and Lethbridge along with community partners like Sagesse, FearIsNotLove, and the Calgary Domestic Violence Collective, we have launched a comprehensive campaign to help #keepitREAL when talking about domestic violence in Alberta.

80% of people experiencing domestic violence will seek support from friends or family before going to formal supports so it's critical that every Albertan knows the conversation tools that help promote healing and prevention.

Visit [www.albertayw.ca](http://www.albertayw.ca) to learn more about this campaign and build your skills as an informal supporter.

# GET READY FOR FINANCIAL LITERACY MONTH

YW CALGARY X VANESSA STOCKBRUGGER

## Financial Literacy Month

Did you know November is also Financial Literacy Month? Our Women's Economic Prosperity team were thrilled to host Vanessa Stockbrugger from National Bank for a LinkedIn Live chat on how we can all get more financially literate.

You can view the live conversation [here](#) and keep an eye on YW Calgary social channels all month for more information!

## National Child Day Open House

National Child Day is celebrated in Canada on November 20 in recognition of the commitment to upholding the rights of children and two historic events: the 1959 signing of the UN Declaration of the Rights of the Child and the adoption of the UN Convention on the Rights of the Child in 1989.

**Join us this National Child Day for an exciting open house event at our Hub**

building in Inglewood from 11:00am – 1:00pm!

We'll be welcoming families to view our newly expanded childcare centre as well as to learn more about the programs and services YW offers our community. There will be fun activities for little ones, tours of the building, and menu tasting in our community kitchen. No registration needed – we hope to see you all on November 20!

### Giving Tuesday

Giving Tuesday is the world's largest generosity movement happening this year on November 29! Keep an eye on our social channels leading up to the day for opportunities to support YW Calgary's work in your community.
